# Welcome

Graduation is a special time for students and their families and I always enjoy being part of the celebrations. Congratulations to all students graduating. Graduation is a celebration and acknowledgement of all the hard work you have done during your study years. I am delighted to be able to share this important moment with your friends and family and to recognise your academic success.

University is more than an academic experience, it is a time for developing independence, not only in your life, but in your thoughts, ideas and actions too.

I hope that your new qualifications give you the confidence to speak your minds, challenge the status quo and strive for change that benefits not just you, but the communities in which you live and work.

I hope too, that you will remember your university days fondly and I urge you to retain your links with the University of Waikato and take time to reconnect with fellow alumni as you make your way in the world.

**Rt Hon James Bolger ONZ**  
**Chancellor**  
**University of Waikato**

Graduation is a wonderful part of the tradition of universities, and one that I am pleased to uphold at the University of Waikato. Acknowledging scholarship and recognising student achievement is at the core of the mission of all universities.

Each institution has its own approach to recognising student achievement, introducing its own traditions that reflect local custom and circumstance. It is what makes each ceremony special and unique. The University of Waikato is no different, its graduation ceremony combining both elements that reflect the 800 years of tradition since the first universities were established and elements that

reflect its unique culture as an institution.

I welcome students, friends and family to graduation at the University of Waikato. I know many of you have travelled a long way to be here. For all graduates, I hope your experience today happily concludes what has no doubt been an eventful and fulfilling journey and that you take away fond memories of your time at the University of Waikato.

**Professor Neil Quigley**  
**Vice-Chancellor**  
**University of Waikato**

# Qualifications to be conferred at Claudelands Events Centre, Hamilton

Tuesday 7 May 2019

## Student speaker

**Laura Anderson**

**Qualification to be conferred: Graduate Diploma of Teaching (Primary)**

After completing a BMS(Hons) in marketing and economics at Waikato in 1999, Laura spent 15 years working in fundraising, marketing and management roles for charities including the Breast Cancer Foundation, SPCA and Make-A-Wish. In 2018, Laura decided to pursue a long-held dream to become a teacher, and gave up fulltime work to study the Graduate Diploma of Teaching (Primary). On completion, she was snapped up by Pukekohe Intermediate, a school she'd been to for practicum during her studies, and is now teaching a Year 7 class in a modern learning environment. In recognition of her outstanding achievement in the Graduate Diploma, Laura was awarded the Judith McGee Memorial Prize 2018.

**Larissa Kopf**

**Qualification to be conferred: Bachelor of Engineering with Honours**

Larissa moved to New Zealand from Germany for high school, and has always been interested in cars and planes, and how things work. As a result, it was an easy decision for her to enrol in a Bachelor of Engineering with Honours, in the mechanical engineering stream, at the University of Waikato. As part of her studies, Larissa joined the Waikato Engineering Society of Motorsport (WESMO), a student team that each year designs and builds a Formula SAE race car. Larissa is now undertaking a masters degree in mechanical engineering, and hopes to pursue a career in race engineering and data analysis. Her research will focus vehicle dynamics and suspension setup, using data analysis to develop a predictive model to decrease lap times.

# Qualifications to be conferred at Te Kohinga Mārama Marae, Hamilton

Friday 3 May 2019

## Honorary Doctorate

An Honorary Doctorate is the most prestigious award that the University of Waikato can bestow.

### DEREK LARDELLI ONZM

Derek Lardelli ONZM is one of Aotearoa New Zealand's finest artists, particularly renowned for tā moko. Of Ngāti Porou, Rongowhakaata, Ngāti Konohi and Ngai Te Aweawe descent, Derek has earned an international reputation for his knowledge of tā moko and its spiritual significance.

Based in Gisborne, Derek is founding principal tutor at Toihoukura, School of Māori Visual Arts at the Eastern Institute of Technology's Tairāwhiti campus where he has developed a suite of programmes across a range of Māori visual arts.

In 2004 Derek received a New Zealand Arts Foundation Laureate award; he was the inaugural Gallipoli artist-in-residence in 2006, and was made an Officer of the New Zealand Order of Merit in 2008.

### Nevada Huaki-Foote

#### Qualification to be conferred: Bachelor of Environmental Planning

Nevada Huaki-Foote (Ngāti Tamaoho, Ngāti Mahuta ki te Hauaauro, Ngāti Porou) was raised in the rural Waikato community of Mangatangi, where she found her passion for raising environmental awareness among Māori youth. Enrolling in a Bachelor of Environmental Planning at the University of Waikato was a natural progression. Nevada was a Māori mentor in her faculty, and alongside her studies was involved in riparian restoration initiatives with Mangatangi Marae. As a member of the Tuia Rangatahi Leadership programme, Nevada worked with her community to involve children in environmental enhancement activities, and promote environmental awareness and kaitiaki responsibilities. She recently also represented Indigenous youth at the United Nations Climate Change Conference (COP24) in Katowice, Poland to ensure Indigenous perspectives were entrenched in the Paris Agreement. Nevada is now working as an Indigenous youth delegate and supporting her marae, hapū and Iwi to become more involved in resource management decisions.

Friday 7 June 2019

## Student speaker

### Josiah Hansen

#### Qualification to be conferred: Bachelor of Management Studies

Texas-born and Minnesota-bred, Josiah met his Kiwi wife in the States and moved with her to Tauranga nine years ago. He'd worked in various non-profit organisations and retail businesses but wanted to branch out and add to his management skill set. Josiah returned to the business studies qualification he'd started in the USA, and took up a Bachelor of Management Studies majoring in Strategic Management and Finance. A Class Representative for several papers, Josiah particularly enjoyed, and excelled in, the case competitions that required a business idea be designed from scratch. Balancing study with work and family commitments wasn't always easy but the father of two is proud to have completed his four year degree in less than three. Josiah now works for Craigs Investment Partners in client services administration where he appreciates the analytical and management skills learnt at Waikato.

### **Watene Malcolm Ernest Moon**

#### **Qualification to be conferred: Bachelor of Teaching (Primary)**

Watene (Whanau-a-Apanui, Ngāi Tai, and Tainui) was born in Whakatāne and spent his early years in Alice Springs, Australia before returning to the Bay of Plenty to be closer to whānau and complete his schooling. A successful career in the hospitality industry afforded Watene a flexible lifestyle peppered with adventure and overseas travel and he lived in Canada for several years. When Watene returned home to help his whānau run the family business in Omokoroa, he reconnected with the region and opted to embark on a path of tertiary study. A teaching degree at home in the Bay was the ideal choice. Watene soon became an active member of the Tauranga campus community and flourished in his roles as a Class Representative, Student Ambassador, Māori Student Mentor, Chairman of Māori support group Mana Ake ki Tauranga Moana, and was selected for the Māori leadership programme Te Ahurutanga last year. On completion of his degree Watene returned to the University this year to study Te Tohu Paetahi – an intensive te reo Māori immersion programme. His goal is to one day teach in te reo Māori and be a positive role model for Māori taura (students).

### Katerina Ngaere Clark

#### Qualification to be conferred: Bachelor of Social Work

Katerina (Kat) was adopted from Russia as a child by her Kiwi parents and was brought up in the Bay of Plenty. Kat's journey of self-discovery and coming out strengthened her resolve to be a voice for marginalised youth. A natural-born advocate, Kat established Tauranga Pryde, and in recognition of her work supporting the LGBTQ community she was presented with two Youth Week awards and is a Local Hero New Zealander of the Year. Kat's decision to study social work was prompted by the desire to enhance her skill set to reach more people in need. For the best part of her degree, Kat has worked as a Student Ambassador and coordinated the Rainbow Corner. She now works at the University's Tauranga campus in a newly created student support and advocacy role for the Waikato Students' Union. Kat regularly travels around the country presenting to groups of educators and social services and is a confirmed speaker for TEDx Tauranga later this month.

# Ceremonial Traditions

Elements of university graduation ceremonies have evolved from the 12th century when the first universities emerged in Europe.

The organisation of medieval universities was modelled on the established institutions of the day – the church, the monastery and the guild.

Latin was the language used by medieval scholars, and it is from Latin that the words 'university' and 'degree' are derived. The Latin term *universitas* means a guild or union, and universities started as a scholastic guild – a self-constituted community of teachers and scholars.

The word *graduate* comes from the Latin word *gradus*, which means step. Admission to study a bachelors degree was the first step taken towards completing a university education. The second step was to become a 'master'. Masters were Master of Arts graduates whose degrees licensed them to teach. The Chancellor, an officer of the cathedral, originally granted teaching licences.

## CEREMONIAL ROBES AND ACADEMIC DRESS

In the Middle Ages the corporate existence of universities was recognised and sanctioned by civil or ecclesiastical authority. The regalia worn by graduates and university staff today reflect this mix of medieval governance. Robes worn

by the Chancellor resemble those worn by the Lord Chancellor of England. Graduates and academic staff wear gowns similar to the dress of medieval clergy. Hoods are also fashioned on an everyday medieval garment, although the coloured lining was a later addition to indicate the wearer's university and degree.

## UNIVERSITY OF WAIKATO ACADEMIC DRESS

## Pou Whenua

The ceremonial carved Māori mace being used in today's graduation ceremony represents the strong links between the University and Māori.

In 1965, just a year after the University of Waikato was established, Kingitanga head Koroki invited founding University of Waikato Chancellor and Hamilton Mayor Denis Rogers, along with 20 University of Waikato graduates, to Tūrangawaewae Marae in Ngaruawahia.

There he presented the fledgling institution with the carved taonga to be used as ceremonial mace. The piece was carved by master carver Piri Poutapu, who established a carving school at Tūrangawaewae in 1932. When not being used, the taonga sits in pride of place at the head of the University Council chamber.

## God Defend New Zealand

E Ihowā Atua,  
O ngā Iwi mātou rā  
Āta whakarongona;  
Me aroha noa  
Kia hua ko te pai;  
Kia tau tō atawhai;  
Manaakitia mai  
Aotearoa

God of Nations at Thy feet  
In the bonds of love we meet  
Hear our voices we entreat  
God defend our free land  
Guard Pacific's Triple Star  
From the shafts of strife and war  
Make her praises heard afar  
God defend New Zealand

# The University of Waikato

THE UNIVERSITY OF  
**WAIKATO**  
*Te Whare Wānanga o Waikato*

The University of Waikato's motto is Ko Te Tangata – For the people. It's an appropriate maxim for a university that was established when a group of people in the Waikato determined that the region should have its own university and reinforces our belief that people are central to the University and are its most valued resource.

In its first year, there were 181 enrolments. Today there are about 12,500 students, and 2,000 of them come from overseas. The University is committed to delivering a world-class education and research portfolio, and pursuing strong international links to advance knowledge. Staff endeavour to keep their teaching future-focused and play an active part in global research.

The University has had a presence in the Bay of Plenty for 20 years, and partners with Toi Ohomai, the polytechnic there to offer a range of

qualifications, and building has now started on a new tertiary campus in the Tauranga CBD.

## CAMPUS LOCATIONS

The Hamilton campus covers 65 hectares and is arguably the most attractive university campus in New Zealand, with gardens and grounds that attract a range of sports teams for practice and tournaments, and which provide a venue for many community activities.

In Hamilton there is an ongoing programme of building development and refurbishment. Plans are being developed for a new marae complex.

In 2019, the University opened its new campus in the heart of Tauranga city, giving students in the region even greater study options. The new campus has allowed the University to increase the range of qualification and study options available to students in the Bay of Plenty.

## EXPANDING HORIZONS

The University strives to ensure its teaching and research is relevant. We have also worked hard to ensure university study becomes accessible to a wider range of students.

To that end, we have extended Te Ara ki Angitū: Pathways to

Excellence programme which brings students from outlying towns in the region to campus, offering fees scholarships and heavily subsidised daily transport to and from campus. The programme started in 2016 with 40 first-year students. This year, 123 new students began university study through the programme.

Our focus on our local communities is balanced by our commitment to a culture of internationalisation, which is measured through the diversity of our student and staff profiles, the support and celebration of that diversity, and a long-standing pride in our reputation for the pastoral care of our international students. At the same time, we are constantly reviewing curriculum, programme design and extending global networks and connections to expose our students to international influences.

## EMPLOYABILITY PLUS PROGRAMME

In 2017, the University launched its Employability Plus Programme – an initiative that gives students the opportunity to gain work-ready skills through volunteer activity. Students are recognised for the extra work they do and will stand out when they are job hunting by having the practical skills and experience that employers are seeking.

## Waiata – Ko Te Whare Wānanga o Waikato

Ko Te Whare Wānanga o Waikato e tū mai nei  
'Ko te Tangata' te tohu  
Tihei mauri ora!  
Waikato te iwi; Waikato te awa;  
Taupiri te maunga; Tainui te waka.  
Ko Te Whare Wānanga o Waikato e tū mai nei  
Ko te tino kaupapa he hora mātauranga ki te ao.  
KŌKIRI!

This is the University of Waikato presenting to you  
'The People' is the emblem  
Behold I live!  
Waikato the people; Waikato the river  
Taupiri the sacred mountain; Tainui the canoe  
This is the University of Waikato presenting to you  
Its purpose, to spread enlightenment to the world.  
ONWARD!

## Staying connected

As graduates of the University of Waikato you automatically become members of our worldwide alumni community. We encourage alumni to stay in contact with us as they

move through their lives and careers post-graduation, and we look forward to hearing of your successes in the years to come. Alumni can access University and alumni news,

events and information on our website [alumni.waikato.ac.nz](http://alumni.waikato.ac.nz), and ensure contact details are updated to stay in touch.
